

OFFICE OF LEGISLATIVE COUNSEL

Thursday - 13 November 1975 .

1. [redacted] LIAISON Called Ed Mulcahy, Deputy Assistant Secretary for African Affairs, Department of State, advising him of the outcome of our session with the "Africa Group", chaired by Representative Charles Diggs (D., Mich.), on the situation in Angola. I also discussed my conversation with Marian Czarnecki, Chief of Staff, House International Relations Committee, following the session regarding the handling of questions relating to covert actions and Mulcahy agreed that he would indicate that these things are covered by statute, including their reporting to appropriate committees, and recommend that the matter be deferred to Chairman Thomas Morgan (D., Pa.).
2. [redacted] LIAISON Leslie Yates, Consultant, Subcommittee on International Resources, Food & Energy, House International Relations Committee, called and I told her it would be perfectly alright if she used in their session with Ed Mulcahy, Assistant Secretary for African Affairs, Department of State, this afternoon, the information we had provided at our briefing of the "Africa Group" yesterday.
3. [redacted] LIAISON Called Doris Lovett, Executive Secretary to Senator Howard Baker (R., Tenn.), and she will advise me when it is convenient for the Senator to visit a DDS&T site.

27. [] LIAISON Called Pat Holt, Staff Director, Senate Foreign Relations Committee, and told him the Director was concerned over the leak from the joint CIA/State briefing of the Committee last Thursday and would probably be sending a letter to Chairman John Sparkman (D., Ala.) on the subject. Holt said the Chairman talked to him about it on Friday and the Chairman was very concerned about it also. Holt said he thought a letter from the Director would be useful and he thought the Chairman would send a copy of it to each of the members who were present at the briefing with a covering note from the Chairman expressing his concern. Holt said, he had called Richard Moose, also of that staff, and asked him if he talked to Leslie Gelb, a reporter for the New York Times, and Moose said yes, but only on the subject of China. Holt and I agreed that Moose was not a likely source of the leak. I told Holt that when the letter is signed we will deliver it directly to him.

5. [] LIAISON Pat Holt, Staff Director, Senate Foreign Relations Committee, called concerning reports in the press that Mr. Colby was staying on for a while. He said if that was the case he assumed Mr. Colby could appear before the Committee tomorrow as previously scheduled. I told him the Director was at the White House at the moment meeting with the President and I would find out as soon as he returns whether or not he is staying and if he can make the briefing. I told Holt I would call him back as soon as I find out.

Later in the day, I called Holt and told him the Director would be staying with the Agency until Ambassador Bush's confirmation and he would be available for the briefing at 10:00 a.m. tomorrow. Holt said he understood the problems we have and would look forward to seeing us tomorrow.
